

DMA Needs Your Help!

We have just 3 weeks until the deadline of April 30th to bring auction items in & we have only received less the half of the items we need to reach last year's total of over \$10,000.

Please bring in all items you have already collected, no matter how small. Ask family, friends and co-workers to think of you when doing spring cleaning. Any little bit helps, and we will always take Wine or Cash Donations!

We are also in need of volunteers to help coordinate with teachers on this year's classroom project of painted rain barrels, volunteers to help the night of the auction, and volunteers to solicit donations from businesses.

We will be having a table set up each Friday in front of the school for you to drop off items or sign up to volunteer.

****We are also looking for painting supplies for the rain barrel project. We are in need of fine grit sandpaper, latex bonding exterior primer, exterior latex paint, and brushes.****
